

Dear Consortium Colleagues,

On behalf of the Faculty Group of Systematic Theology of the Washington Theological Consortium, I'm pleased to invite you to a presentation by Fr. Thomas Joseph White on **Exod 3:14-15: The Metaphysics of the Divine Naming**. Fr. White teaches Systematic Theology at the Dominican House of Studies. There will be a response from Dr. Stephen Cook, Professor of Old Testament at Virginia Theological Seminary.

The event will be held in the Happell Room of Caldwell Hall on the campus of the Catholic University of America on Tuesday, **March 12 at 7:00pm**. Please join us for what promises to be a wonderful evening of theology, conversation, and refreshment. RSVP to me or to the Consortium office (above).

Sincerely,
Kendall Soulen
