Double Occupancy Room: \$265
Quad Occupancy Room: \$190

Fee includes program costs, meals, and onsite housing for the evening of Friday April 12 through the morning of Sunday April 14.

Offsite and daily rates available - see online registration form at www.scmusa.org.

Registration extended until April 1!

Scholarships available – email itangscmusaorganizer@gmail.com.

The SCM National Leadership Conference is based around grassroots organizing, activist training and intergenerational dialogue. The conference seeks to create a space for critical reflection and engagement in global movement building. Through the support of Senior Friends and local congregations, participants will have the chance to dialogue on how to build a viable movement to put faith into action.

Be a part of the movement – the revival of the Student Christian Movement, bringing a progressive Christian voice and presence to campuses across North America.
