

## *Third Annual Sermon Slam! for Consortium Students Sponsored by the Student Board of the Consortium*

It is once again that time of year to prepare for the Consortium's **Annual Sermon Slam!** All students of the Consortium are invited to come and hear top preachers from each school.

**Saturday April 11, 2015, 8:00-9:30 PM**  
**1823 Café next to the refectory of**  
**Virginia Theological Seminary**  
**3737 Seminary Road, Alexandria, VA**

Doors open at 7:00 pm for fellowship and the Sermon Slam commences at 8:00 pm. Food will be provided; beverages available for purchase. We are looking for each theological school of the Consortium **to send a representative to deliver a 5 minute sermonette.** This year instead of assigning a specific text, we pose a theological question fit for the Easter Season:

***You are one of Jesus' disciples and Jesus has been crucified and placed in the tomb. How would you react upon Jesus entering the room following His resurrection?***

### **Guidelines:**

1. Each preacher will be given a five (5) minute window for their sermonette.
2. You may draw from any biblical text to exegete your sermon.
3. You are encouraged to frame your sermon in your theological tradition. (Unity in Diversity)
4. Do not be afraid to interject yourself into your sermon. **Have some fun!**
5. We will be voting in at least two categories- Most Original and Favorite Preacher.
6. Share your name with your Homiletics professor, Dean, or Student Board rep. (depending on school process) to be considered as your school's preacher.
7. I will need an email with the name of the participant, the name of his/her school, and a brief 1-2 line bio **by Wednesday April 1, 2015.** ([kperkins.gray-hunt@att.net](mailto:kperkins.gray-hunt@att.net))
8. Please promote the sermon slam at your school so that we may have an enjoyable turnout and good fellowship among Consortium students.
9. If you desire, you can organize a carpool to VTS (1.5 miles east of Seminary Rd. exit, I 395)

If you have any questions, please feel free to email me
